

Vandewalle & Associates

POSITION DESCRIPTION: LANDSCAPE ARCHITECTURE INTERN Vandewalle & Associates | Madison, Wisconsin

Our **mission driven** planning, urban design, and landscape architecture firm is seeking a Landscape Architecture Intern to assist our Design Team on a wide range of projects including redevelopment projects, mixed-use developments, traditional neighborhoods, community planning, site analysis/design, park & open space design, and urban design/landscape architecture.

We are one of the largest independent planning & design firms in the Midwest, with offices in Madison and Milwaukee, Wisconsin, focused primarily on clients throughout the Great Lakes and Upper Midwest. Over the past 40 years, Vandewalle & Associates has assembled a team of experts in the art of shaping Midwestern communities. We are passionate about helping our client communities meet the challenges of our future, and the right candidate will share this enthusiasm and embrace the tremendous opportunity to both learn from and contribute to this exceptional team. **This position will be based in our Madison office.**

Responsibilities: This position supports the work of all team members on an evolving range of projects such as downtown and riverfront revitalization, brownfield redevelopment, neighborhood design, site planning, urban design, landscape architecture, and arts & interpretation. Design and graphic support of site analysis, site design, and presentation graphics for both public and private clients is a significant aspect of the position.

Applicants are encouraged to review our company website at www.vandewalle.com and design studio website at www.eye-levelstudio.com for work examples.

Potential tasks may include:

- Graphic support & production
- Site analysis
- Mapping and Rendering
- Design support

Software Used by Team:

- Adobe Suite
- SketchUp/Lumion
- AutoCAD
- Microsoft Suite

Requirements include: experience with Adobe Creative Suite (Illustrator, Photoshop), SketchUp/Lumion, AutoCAD, and Microsoft Suite (Word, Excel, PowerPoint). Additional skills in other 3D Software, GIS, Adobe InDesign a plus.

Position description: This is a paid internship, without benefits. This position is for the spring/summer/fall with flexible schedule (8 to 16+ hours per week for spring/fall and 20-40 hours for summer), dependent on the performance, workload, and schedule.

All employees, regardless of citizenship or national origin, must have authorization to work in the United States.

Vandewalle & Associates stands in solidarity with voices against racism, supports diversity and inclusion, and strives for social and economic justice. Our team of experts in economic development, planning, and design is nationally recognized for the integrity and impact of our work with communities, neighborhoods, institutions, organizations, and companies to make positive change happen. More information on the company can be found at www.vandewalle.com.

How to Apply: For strongest consideration, resumes, cover letters, and digital portfolios (10 MB or less) should be emailed by **March 28, 2025** to Nonna Anderson, Business Manager: nanderson@vandewalle.com.

Vandewalle & Associates is an Equal Opportunity Employer.
